Agile

Microsoft DevOps

Writing Test Cases

## PROFILE

I am an experienced Software Quality Assurance Test Engineer with strong analytical and problem-solving skills. ISTQB Tester Foundation Level Certified. Proficient in SQL, JavaScript, UI / UX Design, Test Complete, Cypress, Applitools, designing Test Cases, and Customer Service. Constantly looking to learn new skills and polish the existing ones.

As a side project at home, I am working on a few test suites for a Login page using Cypress and Applitools. Currently finishing the Login Page test and will move on to API testing.
